## Gain More Customers, Make More Sales, Earn More Money! ... with RepHunter!

### RepHunter Mission

- We help manufacturers, suppliers, and manufacturer reps find each other.
- We have a unique profiling system that allows a **TARGETED SEARCH** using a manufacturer's specific requirements and our growing database of experienced Independent Sales Representatives.
- We are more **COST-EFFECTIVE** than the alternatives: (1) placing ads and wading through an avalanche of resume responses; (2) costly trade shows; (3) job boards.

Our clients confirm the quality of our referrals and tell us that the candidates that we place are more productive and able to hit the ground running because of their established customer base.
